Yes, thank you for this "Red Alert" about the need for a surge of HJTA funding to protect Proposition 13, now needed because:

- The State Legislature's approval of anti-homeowner Constitutional Amendments proves their eagerness to dismantle Proposition 13.
- The State Supreme Court decision to remove a fully qualified citizens' initiative from the November ballot proves that judges have joined the progressive power structure!
- The Executive Branch just exceeded all Constitutional constraints to convince the Judicial Branch to ignore the right of Direct Democracy.
