PETITION To the Governor of the State of California and the California State Legislature

PETITION NUMBER: 0224201477777777

WHEREAS: For more than 46 years, Proposition 13 has protected the security of homeownership and saved California taxpayers more than 528 billion dollars;

WHEREAS: The vast majority of California taxpayers want to protect Proposition 13 and keep it intact and stated that fact again by overwhelmingly passing Prop. 218 in 1996, rejecting the anti-Prop. 13 statewide parcel tax in 2006, passing Prop. 26 in 2010 to close a loophole used to dodge Proposition 13, defeated the infamous "split roll" initiative;

WHEREAS: Bills introduced in the new legislative session, if adopted, could weaken key Proposition 13 taxpayer protections, like the two-thirds majority protection and the 1% cap, and even return Californians to annual property assessments and tax hikes;

THEREFORE BE IT RESOLVED: That I (we), as voter(s) and Member(s) of the Howard Jarvis Taxpayers Association, petition you as my (our) elected representatives to protect Proposition 13 by supporting HJTA efforts to protect taxpayers from legislative action that threatens the letter, spirit or intent of Proposition 13.
